

NEW YORK FREE TRADE ZONE GENERAL LIABILITY REAL ESTATE PROGRAM

AN EXCLUSIVE ADMITTED PROGRAM
FOR HABITATIONAL ACCOUNTS

Clach Casualty Underwriting Managers offers a purpose-built general liability program designed for the unique exposures found in New York's habitational real estate market, for accounts qualifying for the New York Free Trade Zone. Our underwriting approach is grounded in deep sector expertise, robust relationships with disciplined capital providers, and a practical understanding of the complex liability challenges facing property owners.

We leverage a risk management framework to craft coverage that reflects the realities of New York habitational risks. Supported by experienced claims adjusters who are equipped to deliver timely, well managed resolutions, our integrated underwriting and claims model is built to provide insureds with responsive, consistent support throughout the policy lifecycle.
